6. Authorising the Board to decide on purchasing the company's own shares

The Board of Directors proposes to the Annual General Meeting that the Board of Directors be authorized to decide on the repurchase of the company's own shares as follows:

The Board of Directors is authorized to decide on the purchase of a maximum of five million (5,000,000) company shares, which accounts for 8.7% of all shares of the company. Company shares will be purchased with funds from the company's non-restricted equity, in which case the acquisition will decrease the company's distributable non-restricted equity.

Shares will be purchased in a different proportion to that of the holdings of the current shareholders. Purchasing will take place through public trading arranged by NASDAQ OMX Helsinki Oy. The shares will be purchased at the fair value established in public trading at the time of acquisition.

Shares can be purchased to develop the company's capital structure, to be used as remuneration in corporate acquisitions or the funding of other business arrangements, or as part of the company's incentive system, or otherwise to be forwarded, to be retained by the company, or to be annulled. The Board of Directors will decide on other matters related to the acquisition of the company's shares.

The authorization cancels the authorization given in the Annual General Meeting on 18 April 2013 to repurchase the company's own shares. The authorisation is valid for 18 months from when it was granted.
