I/we understand that it is not possible to present a counterproposal to the meeting or demand that a vote be held, If I/we have instructed to vote against the resolution proposal or to abstain from voting,

I/we understand that if I/we give advance votes as a representative of an entity (incl. estate), the legal representative of the entity or a person authorized by the entity must provide necessary documents to prove the right to represent the entity (e.g. trade register extract or board resolution). Documents are requested to be attached to this advance voting form. If the documents are not submitted during the advance voting period or they are otherwise incomplete, the shares of the entity will not be included as shares represented at the Extraordinary General Meeting.

It is recommended that a Finnish book-entry account holder votes in advance electronically in the address www.scanfil.com/agm. In a situation where the Finnish book-entry account holder has voted in advance both electronically and via this advance voting form, Euroclear will register the most recent voting instruction in the book-entry account.

Matters to be resolved at the Scanfil plc's Extraordinary General Meeting 2022

Agenda item 6 covers proposals of the Board of Directors of Scanfil plc to the Extraordinary General Meeting in accordance with the notice of the Meeting. "Abstain from voting" means giving an empty vote and shares are considered to be represented in the meeting, which is meaningful in resolutions requiring qualified majority. In qualified majority items all shares represented at the Meeting are taken into account and abstentions thus have the same effect as votes Against/No. Therefore, abstaining from voting affects the voting result. Shareholders should be aware of this, especially if giving a vote against is not their intention.
